## Information for Passengers

### Number of Passengers

A Hackney Carriage or Private Hire Vehicle may not carry more than the number of passengers it is licensed to carry and shown on the Licence Plate attached to the rear of the vehicle (Local Government (Miscellaneous Provision) Act 1976.

For the purpose of establishing the number of passengers the lawful definition is that any person, irrespective of age, counts as ONE including babies in arms.

A Driver has the right to refuse to carry in excess of the number of passenger for which his vehicle is licensed which would cause him/her to break the Law and invalidate the vehicle's Insurance.

### Wearing of Seat Belts

It is the responsibility of the Driver to ensure all persons of 14 years and under are wearing seat belts if they are available.

Failure to ensure compliance may result in a Fine.

A Driver has the right to refuse to move off unless those passengers for whom he/she has a legal responsibility are complying with the Law.

Passengers over 14 years of age are legally responsible for wearing a seat belt if available.

### When a child can travel without a car seat

A child **can** travel without a child car seat in some circumstances.

Taxis and minicabs (private hire vehicles)

If the driver doesn't provide the correct child car seat, children can travel without one - but only if they travel on a rear seat:

- and wear an adult seat belt if they're 3 or older
- without a seat belt if they're under 3

A Driver has the right to refuse to undertake a journey if to do so would result in him/her breaking the Law.

**This vehicle now accepts credit and debit card payments including contactless**
